From carol wiggins to Everyone: To participate in decreasing carbon foot print in Rolando Park. I would like to see street trees. Trees decrease carbon, cools the neighbor. Enhances beauty and curb appeal.

From Steven Murray to Everyone: I was wondering what does the community, school district and/or city have planned to address the homeless population that lives in the canyon?

From Lynn Edwards to Everyone: Street light not fixed within 60 days:

From SgtMaj Terry to Everyone: Good Seeing you Bruce, your smile is contagious!

From Nancy to Everyone: Can we please have some enforcement for all of the speeders and street racing that is going on in this area at all hours of the day and night? We know staffing is an issue but we have not had any traffic details in this area for a long time, as far as I can tell.

- From Nancy to Everyone:** Terry, an unknown group of people from the Village Green Apartments are frequently, over the past year and especially on holidays, setting off large, professional type fireworks. On Easter Sunday it was really bad and also started a small fire from what people are saying. I report these incidents to SDPD and Michelle Rocha, the Operations Manager for Wakeland Corporation, the property owner. She has said she "works closely" with SDPD to address problems in the complex but it keeps happening. Are you aware of any contacts she has had with the department? Thanks!
- From Taylor to Everyone:** Take the survey here: <https://tinyurl.com/sud69xc>
- From Madison Coleman to Everyone:** Climate Action Campaign Survey link: <https://tinyurl.com/sud69xc>
- From DavidOgul to Everyone:** thanks AP
- From DavidOgul to Everyone:** thanks CAP
- From Sarah Hennessy to Everyone:** Hi Terry, I live above the Village Green Apartments, and the Easter fireworks were shocking. I am looking toward the July 4th holiday with dread, knowing how much more flammable the hillside will be at that time.
- From Matthew Vasilakis (he/him) CAC to Everyone:** Thank you, again! You can reach CAC at madison@climateactioncampaign.org and taylor@climateactioncampaign.org!
- From vgonzalez to Everyone:** Visit www.caregivercenter.org or call 1(800) 827-1008 / (858) 268-4432 to Connect with SCRC - Free family caregiver support services
- From Nancy to Everyone:** LPS and Laura's Law need to be amended so the bar is not so high for people to qualify for long term, involuntary commitment. The criteria for gravely disabled are so restrictive that hardly anyone qualifies for anything other than the 72-hour hold, which doesn't solve anything.
