From Nadine to Everyone: Is there going to be any time left for questions? Don't mean to be impolite but what is the use of having live people if they just say things from website?

From Lynn Edwards to Everyone: There should be time.

From Lisa to Everyone: You can take textiles that can't be re-used to H&M in the Fashion Valley mall and they recycle them.

From Lynn Edwards to Everyone: Thanks Lisa!

From Nadine to Everyone: Cleaning jars, e.g., Peanut Butter or oil. In past told had to be really clean. Today it seems they only have to be empty.

From Sarah Hennessy to Everyone: Regarding recyclable plastics, what happens to them? Are they recycled domestically, or are they still being sent to uncertain international end points?

From Sarah Hennessy to Everyone: Does the City realize a significant monetary benefit from glass and aluminum in the blue bin? Does the city rely on those monies to pay for recycling services?

From Dullum Joanna to Everyone: Thank you Justin and Meagan
