From Sharon W: Senior Gleaner information: www.seniorgleanerssdco.org ph# 619-540-9831.

From David Hanson: I would like to see more community events....I think it fosters good will in the neighborhood, helps with our identity and helps all of us get to know each other. It may help get more folks engaged in other things like cleanups.

From Joanna Dullum: There was a free program a while back where people could get trees for the sidewalk area. I think it was through the city.

From David Hanson: Would we be allowed to have a community area to plant flowers in the park?

From David Hanson: trees could maybe also be in the roundabouts

From David Hanson: maybe also have presentations on how to plant and care for trees.

From Toni Duran, Senator Atkins: I'll be there for the plant exchange when it happens. 😊
