- Will be working with Officer Hoskins and our D9 representative this year to address.
  - Safety for residents who live on the perimeter of the canyon
  - Canyon cleanups
  - Get the school district to be a better neighbor to our community

4. Continue to pursue art for 94 underpass at College

- If Assemblymember Weber's office is able to get a response from Caltrans, then we will pursue it.

3. Landscaping improvements & monument sign, College/College Grove

- Look first at securing funding to permanently address landscaping improvements, such as hardscape, self-sustaining native trees and shrubs before a monument sign is installed

2. Cleanups in the community: sidewalks and streets/Regular cleanups: University, College, & other major streets

- Next month, we'll have a tentative schedule for the rest of the year:
  - 4 quarterly cleanups on University Ave, 2 in Rolando Park, 2 in Redwood Village
- 2 cleanups in Zena Canyon, spring and fall
- 2 community cleanups to clean up sidewalks and curbs and provide opportunities for residents to dispose of unwanted items

1. Traffic calming & pedestrian safety

- Radar speed display signs to be installed on Rolando Blvd, Vista Grande, and Aragon sometime this year

- Identify the streets and intersections where we see problems and request new traffic studies

- Will look at possibility of volunteer student crossing guards at Vista Grande/Marlowe (entry into Rolando Park Elementary
